Child Care Alliance of Los Angeles, Child Care Law Center, Parent Voices California	Approved by Governor 10/12/17 Signing Message: Although I am signing [AB 258]. ... the process for developing and approving individualized plans needs to be streamlined. Additionally, counties need to ensure that CalWORKs families in Stage 1 child care are not inadvertently disadvantaged when crafting these plans. Thus, I am directing my administration to work with the [CDE] and the specific counties named in these bills to implement whatever administrative of statutory changes are needed to reduce the bureaucratic burden that has become all too commonplace in the development and oversight of these plans. Changes should be expedited so that counties can proceed with the business of serving families in the most appropriate and efficient manner possible. Our programs in this area have become overly complicated and bureaucratic. We can and should establish a more efficient and flexible system for our partners.
